Defendant's Name SPIVAK, RIVKA B	Race W	Sex F	D.O.B. [REDACTED]	Agency Report# 190177419
--	------------------	-----------------	-----------------------------	------------------------------------

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant on , at approximately , at did the following violation of law:

On 11/06/2019 at 2103 hrs I was dispatched to Aloft, 200 N Monroe St, in reference to a violation of injunction. The petitioner, Shawn Bayern, stated he received text messages from the respondent, Rivka "Rebecca" Spivak on today's date. Shawn believed Rebecca to be staying at Aloft for their upcoming hearing regarding the injunction.

I conducted a records check. A temporary injunction for stalking (2019DR003189) was granted on 10/24/2019 and forwarded to the King County Sheriff's Office in Seattle, Washington for service. Deputy Alan Kelley with King County Sheriff's Office served the temporary injunction to Rebecca on 10/26/2019. Conditions of the injunction prohibit Rebecca from making contact with Shawn.

I made contact with Rebecca at Aloft, in room 610. Due to the allegation, I read Rebecca her Constitutional Rights from my agency-issued Miranda warning card. She stated understanding and agreed to speak with me. Post-Miranda Rebecca admitted to sending text messages to Shawn. Rebecca showed me the text messages. At the end of the text messages it showed Rebecca attempted to call Shawn, however the call was not completed. Rebecca also admitted to placing the call. Rebecca had in her possession the injunction while I made contact with her.

Due to Rebecca's Post-Miranda admission to texting and attempting to call Shawn, I placed Rebecca under arrest for violation of an injunction for protection against stalking. I secured Rebecca in double locked handcuffs and transported her to LCDF without incident.

SWORN STATEMENT

State of Florida vs. Spirati, Rebecca

BEFORE ME, the undersigned authority personally appeared: Shawn Bayern
who after being duly sworn, deposes and states as follows:

Since the injunction against her was issued and violated, Rebecca has continued to issue threats and engage in harassment. She has not contacted me directly since ~~after~~ her initial violations of the injunction, but she has sent hundreds of messages to close friends of mine threatening me and them. In these messages, she directly addresses me by name as if speaking to me, and the nature of the threats are such that reasonable recipients would feel a need to forward them. For example, on 2/20/20 she wrote "IF I could blow up all of FSU. Gray Auburn professor, staff... everyone... just to include Shawn," knowing that I am a professor and associate dean at FSU.

(Please see attached documents)

Under penalties of perjury, I declare that I have read the foregoing (document) and that the facts stated in it are true.

DECLARATION OF RIVKA (REBECCA) SPIVAK

I, Rebecca Spivak, declare and state as follows:

1. My place of residence is Seattle, Washington. Prior to November 6, 2019, I had never been to Tallahassee Florida. The last time I was in the State of Florida was in the 1980s, long before I ever met Shawn Bayern.

2. I used to be a member of an email-based mailing list called "Plusmail," the members of which are predominantly Yale students and alumni who at some point worked in information technology or computer science.

3. I am not a lawyer, but I am an inactive member of the California State Bar. I studied computer science at Yale where I was classmates with Shawn, and I have an MBA from Harvard Business School. I am employed as a Senior Data Scientist at Amazon, although I am currently on medical leave.

4. I had been distressed for years about a gender discrimination lawsuit I had with Google, in which I represented myself. I had been employed by Google as a Senior Product Manager from 2010 through 2015 and believed I experienced gender discrimination during the time. Over the years I shared some of my beliefs about the case with Shawn and other members of Plusmail, and some of them accused me of being delusional about some of the claims I made against Google and their attorneys.

5. I sent Shawn certain emails because at the times I sent those emails I believed he had interfered with my case and had psychologically manipulated me as part of an implausible conspiracy. When I sent him those emails I was intoxicated and in acute distress over my implausible beliefs. It is not the first time I have sent regrettable emails while intoxicated and/or suffering from delusions/paranoia, but I have never been violent.

6. Nothing excuses those emails. I regret sending them. I want to try to explain why I sent them, though I am not trying to excuse them or to deny responsibility for them.

1 7. I've been diagnosed with Chronic Alcoholism Disorder and Alcohol Induced
2 Psychotic Disorder- with Delusions. Attached is a true-and-correct copy of paperwork
3 completed by my doctor in support of my current medical leave from Amazon. My doctor
4 notes that she does not believe I would act on violent ideations.

5 8. My primary purpose was to have Shawn understand my emotional distress at a
6 time when I was overcome by feeling of being under attack. I was crying for help in an
7 inappropriate way while intoxicated. I felt alone and that no one understood how much I was
8 hurting. It was about my own emotional state and not about trying to make Shawn afraid.

9 9. My doctor has ordered me to begin Alcohol Rehab Treatment and I have agreed
10 to complete that treatment. She also prescribed me psychiatric medication, and I have
11 agreed to take that medication as prescribed.

12 10. I never imagined being in this situation. I am embarrassed and overwhelmed. This
13 isn't who I am. I don't want to hurt anyone.

14 11. Although the emails I sent were terrible, I'm not a stalker. I was drunk and crying
15 and hurting in my bedroom three thousand miles away when I let my intoxication or
16 paranoia spill out into emails I know I should not have sent. I never would have or could
17 hurt Shawn and I tried to make clear that I was sharing my mental distress and not making
18 threats. Regardless, while I've been afraid and distressed, those emails weren't ok to send
19 even if they weren't threats. I've needed help. I'm getting it now.

20 12. Shawn was a good friend and didn't deserve this. I am sorry and I desperately
21 want a second chance at reconciling a 20-year friendship. I've lost everything and everyone
22 I ever cared about and I can't blame anyone but myself for that.

23
24 I declare under penalty of perjury under the laws of the State of Florida that the foregoing
25 is true and correct. Executed this 7th day of November 2019 in Tallahassee, Florida.

Everything about my life was awful. But it was going to be better and ok ... because I was going to win my case. I would get the validation that would reset everything. Why else would I throw everything in to it?

That's how everything was going to get better.

Shawn. I hate you.

I wish you were dead. Really. Really and truly. Suffering and death. That's what I want for you. It won't change. Ever.

This will never change. You say "I didn't hurt you, I just talked to you." Well, you fucking threw me in jail for a text message.

I truly hate you. I genuinely would prefer your death to getting tens of millions of dollars. All I want is to destroy you because money can't fix what you did to me. I hate you. It is the most intense emotion I have ever felt in my life. My hatred for you. In 43+ years of life, I haven't felt anything as strongly as that.
